## Save the Harbor and DCR bring art on the shore to Revere Sand Sculpting Festival

On Sunday, July 22, Save the Harbor/Save the Bay and the Department of Conservation and Recreation (DCR) were glad to bring internationally renowned sand-raking artist Andres Amador to Revere Beach as part of the International Sand Sculpting Festival. The visit was made possible by Save the Harbor and DCR's Better Beaches program, which also sponsored the Festival.

"Save the Harbor/Save the Bay would like to thank the Revere Beach Partnership for everything they do to put this event on, as well as Blue Cross Blue Shield of Massachusetts, The Boston Foundation, The Coca-Cola Foundation, and Distrigas/ENGIE for their Leadership Grants which make all our free programs possible," said Berman.

"Save the Harbor would like to thank our program and policy partners and event sponsors: the Department of Conservation & Recreation, Harpoon Brewery, JetBlue, The Boston Foundation, the Richard Saltonstall Charitable Foundation, P&G Gillette, National Grid, Comcast, Beacon Capital Partners, New England Picture, Mix 104.1, Boston Centers for Youth & Families, The YMCA of Greater Boston, The Daily Catch Seaport, Baja Taco Truck, and the Blue Sky Collaborative for their support," said Berman.
