

BOSTON

5 fun things to do in Boston this week

By Elie Levine

August 6, 2018

Take a free cruise to the Boston Harbor Islands

Enjoy a free ride courtesy of Save the Harbor/Save the Bay, a nonprofit organization dedicated to protecting the Boston Harbor and Massachusetts Bay. You'll get the chance to sail from the World Trade Center dock to Georges Island in Boston Harbor for a day of fishing, crabbing and fun. This is one of ten free cruises they're hosting for the public this summer; rides began in June and end in December.
